

Voluntary Dental PPO Lo

Good news about dental benefits for employees of DecisionHR

Dental Plan Choice

Our company understands that today's employees demand choice. That's why we offer a voluntary dental program that allows you to choose between a basic and deluxe plan.

The Hi-Lo Choice provides you with the freedom to choose a dental plan that best fits your individual needs. Compare the cost and benefits of each plan, then determine which plan will work best for you and your family.

Plan Features:

- Freedom to Choose any Dentist, Including Specialists
- PPO Options Available¹
- Fast and Accurate Claims Service
- No Referrals Required

How the Plan Works

This dental plan provides a variety of benefits and allows you and your family to use any dentist or specialist you choose. Benefits are paid after any applicable deductible has been met, up to the annual maximum. Claim payments may be made to you or your dentist, whichever you prefer, unless benefits have been assigned to the provider. To locate a DHA provider, visit the DHA web site at www.dha.com or call customer service at 800.442.7742.

The Choice Is Yours

Freedom Basic provides coverage for some of the more common dental procedures. Freedom Preferred also offers valuable protection, and provides increased benefits over the Freedom Basic plan.

Vision Care Program

Your dental plan includes a valuable vision care program. You may have access to coverage and/or discounts on eye exams (including contact lens exams), eyeglasses, and other prescription eyewear.

IMPORTANT:

You must sign up by the Initial Enrollment Deadline, or forfeit the opportunity until the next plan anniversary date.

¹The MAC plan allows employees to have access to the Dental Health Alliance (DHA[®]) PPO providers and take advantage of their fee discounts. Dentists participating in the DHA[®] networks have agreed to discount their usual fees. Treatment is available from dentists who do not participate in DHA[®], but their fees are subject to a Maximum Allowable Charge (MAC). The allowable amount for non-participating dentists is based on 20% off the 80th percentile of usual and customary. Patients are responsible for fees in excess of the MAC. There can be significant out-of-pocket expenses if a non-participating dentist is chosen.

Plan frequencies, limitations and waiting periods apply.
